TERMS OF SALE

- A. The American Numismatic Association's "Official A.N.A. Grading Standards for United States Coins" is used by the cataloguer.
1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
 2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
 3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
 4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
 5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
 6. Sales are strictly for cash in U.S. funds. Canadian and foreign collectors should send an International Money Order or Bank Drafts made out to a New York or Washington Bank.
 7. All books are as described. The actual title in a foreign language is given — the cataloguer may interpret the title and is in parenthesis.
 8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
 9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
 10. A List of PRICES REALIZED will be published about three weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00.
 11. Lots delivered in the State of Maryland are subject to a 5% Sales Tax and will be added to the invoice.

FRANK and LAURESE KATEN present for your approval their 49th Public and Mail Auction Sale Catalogue. It contains a fine assortment of numismatic material being particularly strong in literature.

We are indebted to the AMERICAN NUMISMATIC ASSOCIATION for selecting us to auction off duplicates from their fine library. Each lot will have a label on the inside front cover stating that it is a duplicate from the American Numismatic Association Library and sold at auction by Frank and Laurese Katen. We believe these books may become collector's items.

=====

FRANK and LAURESE KATEN wish to express their thanks to the VIRGINIA NUMISMATIC ASSOCIATION in again being selected to conduct this Auction and Mail Bid Sale at their 20th Annual Convention.

The Convention is being held in the Sheraton-Fredericksburg Motor Inn in Fredericksburg, Virginia. This is one of the better Sheratons and boasts of an 18 hole golf course, tennis, and other recreational facilities. We urge you to make every attempt to attend this show. You will not be disappointed.

While we do not have a complete schedule of events, we do know that the Society of Paper Money Collectors and TAMS are scheduled to hold meetings.

The VNA Annual Banquet held Saturday evening, September 16, at 7:30 P.M., promises to be outstanding. The food served in their Angus Room borders on the gourmet side.

We look forward to meeting new friends and greeting our friends and collectors of old.

SECOND SESSIONFRIDAY, SEPT. 15, 1978, AT 7:00 P.M.CONSIGNMENT E

LOT 654

A UNIQUE SET OF BOOKS.

5 volumes, mostly Germanic coins, ENTIRELY HAND WRITTEN AND ILLUSTRATIONS HAND DRAWN. A unique remarkable achievement. Illustrations are clearer than photographs. Many coins are attributed to collections like deSaulcy, Grote, Madai, Hofmeister, Dannenberg, Knyphosen, etc. We checked and found coins listed and illustrated but not found in modern references like Davenport, DeMey and others. Apparently the author is Joh: Wossauer of Gunsberg a/d, Germany, and date of 1900 is found on the title pages. Each volume has a book plate of Hasso Schwanke and illustrates a stylized swan. A fuller description of the volumes follows. The next two pages illustrate the make-up. However the actual catalogue illustrations are far superior than in this sales catalogue. First 4 volumes are size 9-1/2 x 12-1/4; Fifth volume is 8-1/2 x 10-1/2 inches.

- (1) I^{ter} Band. Abenberg to Brandenburg. 432pp. 100's of ill's. giving minute descriptions, m.m. size, weight in grams and references to catalogues or collections.
- (2) I^{ter} Band. Braunschweig thru Lothringen. pages 433 to 829. Same data as above.
- (3) I^{ter} Band. Mansfield thru Zutphen. 383 pages. Same data as above.
- (4) III^{ter} Band. Cities, states, bishoprics, etc. From Coln thru Zurich. 613 pages. Same data as above.
- (5) Miscellaneous containing Rom. Deutsche Kaiser, Augsburg, Aachen, Osterr., Karnten, Tirol, Gortz, Hungary, Spain, Italy, Brabant, etc. Binding on this volume is poor. Pages 353, 168 (24), Section on Brabant is numbered in pencil, 856-899.

LOT 654, Con't

The paper used in making up these 5 volumes is unusual, it looks like hand-made heavy paper, perhaps just the right thickness for the india ink used for text and illustrations.

The bindings on the first four volumes are sturdy, albeit scuffed at the edges. As mentioned the last volume has a poor binding, and some front pages are loose. This can be overcome by rebinding.

How to price such a unique works? We consulted with many authoritative sources and from our own experience found that a figure of \$3000.00 to \$5000.00 would be compatible.

- 655 Ducarel: A series of above two hundred Anglo-Gallic, or Norman and Aquitain coins of the antient Kings of England; exhibited in sixteen copper-plates, and and illustrated in twelve letters, addressed to the Society of Antiquaries of London, and several of its members. First ed. 1757. engraved portrait of the author, folding map of France by T. Kitchin, 15 engraved plates of coins, by Francis Perry, plate of Mr. Brander's medal also engraved by Perry. ii,xi,104,39pp. The 39pp Postscript consists of "Records relating to the Anglo-Gallic coins published in Rymer's Foedera". Lip. p.106, E&S 2275, Kress 5602. Not in Hirsch. BOUND WITH Folkes: A Table of English Gold Coins, from the eighteenth Year of King Edward III. when gold was first coined in England. With Their several weights and present intrinsic values. 1736. 8pp. 150.00
- 656 Folkes: A table of English silver coins from the Norman conquest to the present time. With their weights, intrinsic values and some remarks upon the several pieces. 1763. 216pp. 42,19,6 plates. Separate volumes for text and plates. Full leather. However front cover missing from text volume; Plates volume shows much scuffing with spine beginning to separate. 75.00
